FISCAL NOTE

SB 1099

February 22, 2021

SUMMARY OF BILL: Increases, from 150 to 175, the required hours of instruction a student must have received to perform aesthetician services on patrons during cosmetology school.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- The proposed legislation will have no significant fiscal impact to the state Board of Cosmetology and Barber Examiners.
- Pursuant to Tenn. Code Ann. § 4-29-121, all regulatory boards are required to be self-sufficient over any two-year period. The Board of Cosmetology and Barber Examiners experienced a surplus of \$284,185 in FY18-19, a surplus of \$156,438 in FY19-20, and had a cumulative reserve balance of \$1,054,296 on June 30, 2020.

IMPACT TO COMMERCE:

NOT SIGNIFICANT

Assumption:

- Any additional administrative expenditures incurred as the result of a student procuring 25 additional hours of instruction at a cosmetology school over the course of the student's total educational instruction period are assumed to be offset by additional revenue for the attended cosmetology school. It is assumed that such cosmetology schools will provide the additional 25 hours of instruction within their existing levels of human resources; as a result, any net impact to commerce or jobs in this state is estimated to be not significant.
